Sainik School Purulia

Diamond Jubilee Celebrations

Esteemed Patrons,

Sainik School Purulia, one of the oldest such schools in the country, will be celebrating its 60th raising day on 29th January 2022. To mark the occasion, the Association of Ex-Students and Teachers of Sainik School Purulia (ESSPEANS) is organizing a reunion of the alumni and teachers at the school in the last week of January 2022.

To commemorate the school's Diamond Jubilee, a colourful journal will be published and circulated widely in India and abroad, for the alumni, current staff and students, and various relevant authorities, offices and organisations.

We solicit your kind patronage by way of advertisement for the publication of this journal.

Thanking you

Debasis Gupta
